Five Days of Faith and Fun

By Caroline Barsotti

What an exciting five days it has been. The joy of being back was all around. Getting to know everyone better or just getting to know them. Some highlights of this week were the dance party and root beer floats. For some people it might not have been the smartest thing to eat root beer floats before dancing. Another great thing was the game of Capture the Flag for the Choices and Horizon classes, and for the younger kids it was all the games they played during reconciliation.

What great projects were happening in Period A and B for the kids. There was a storm in a bottle with the Promise kids. Karing Kids made mechanical hands. In Horizons there was a quiz where students got to move around and write on walls. Choices got to

build with marshmallows and PVC pipes. Lastly, Youth in the Church made movies of different Bible stories.

Then there were all the great Period C classes, from Kids are Cooking to Massage & Meditation and Tennis.

What a great week. We hope that you had as much fun as we did, and that you can come back next year. ✚
